RE: CC Docket No. 02-6

Dear Sirs:

This is a letter of appeal regarding the USAC letter of April 25, 2003. That letter was and "Out of Window" letter, which we are appealing. I did not know that the window automatically closed on February 6, 2003. I assumed that we would be notified that the perimeters of the 471 application would be sent to us. This was an error on my part. I do not wish to have Sts. Peter and Paul School penalized by having the E-Rate funds omitted for the 2003-2004 school year because of my error. Our school is a small one. We need every penny of funding that is available to us to keep open. The information you need for this appeal letter is as follows:

I will appreciate any consideration you can give to our appeal.

Sincerely yours,
